Last Meeting Monday February 3**Our annual visit to Seaspray Surf Life Saving Club with the Sale Central Club...**

The meeting was most enjoyable and the bus made it more so. It was déjà vue with former member of our Club, Kevin Maxfield, as chairman. Both President Adrian and President Colin, from the Sale Central Club, presented cheques to the SSLSC. The food was good and had a familiar feel, which was explained when Leo Gordyn appeared from the kitchen.

Jack Robinson, who has been supported by both clubs, spoke to us about his training for and his trip to Sri Lanka to train lifesavers and trainers. A generous employer (Laser Plumbing) gave Jack time off for the trip.

A good evening was had by all.

K1

Cinema Under the Stars – Friday evening March 7

Our Club has been asked to help with serving drinks at this community event. It appears that several members will be available to help at what is the beginning of a long-weekend. If you would like to help, contact President Adrian.
